25X1

1. During 1950, the field which lies between Siroki Brijeg and Mostar (20 kilometers from the latter) was drained and a temporary airport established. The field was already in use in the summer of 1950 for training pilot cadets of the military airforce school in Mostar. Students were being taught to fly military planes on the basis of their training experience.
2. The airport runway is of hard firm earth.
